CSHA

2024 CSHA
CONFERENCE
October 4-5

Welcome to the 2024 CSHA Conference! This year's theme, **Conquering the Climb from Research to Practice**, will allow you to put the information you've learned this weekend into practice on Monday morning! We happily welcome our national and local presenters.

NEW This Year!

- We have a few new exciting changes this year, including track sponsors as well as breakfast and happy hour sponsors. This allows companies to promote their business and maximize their visibility throughout the Conference.
- New Early Intervention track on Friday, which is sponsored by MGA Homecare. We continue to have the Education track, sponsored by AnthroMed Education and the Medical track on both days, and a Multi-Interest track on Saturday.

General Reminders

- We have again secured the opportunity for school based SLP attendees to purchase graduate level credit from Adams State University so that this Conference will count for your continuing education needs. Make sure to sign in at the registration table and complete the online reflections reporting!
- Don't miss the closing session this year with a national presenter from ASHA- where you can meet the ASHA requirements for DEI (new as of 2023).
- Make sure to check out all of the (30) exhibitors this year! Play BINGO while you visit the exhibitors and have them sign a square. When you get a blackout, place your card in the box at the registration table to be entered for a prize!
- Make sure to visit the silent auction again this year! We are excited to share that we have over 40 baskets to bid on with over \$3,500 in donations. Visit the silent auction in the (location according to map) all day on Friday and Saturday until 11:30 am. Silent auction bidding stops at 11:30 am on Saturday. You will be notified via text if you are the highest bidder! Get a head start on your holiday shopping!
- Please remember to complete the survey online at the end of the Conference so that we can continue to best meet the requests of Colorado professionals - this is **your** Conference!

Whitney Kramer,
CSHA Vice President Education-Elect

Students

- CSHA is hosting a luncheon for the students on Saturday with a panel of past CSHA Presidents.
- After the luncheon, The Stepping Stones Group is sponsoring the Knowledge Quest again this year. Come see which school will take home the bragging rights while you earn ASHA CEUs!

Food

- Enjoy the grab and go breakfast both days. We thank Front Range Pediatric Therapies and Aveanna Healthcare for sponsoring the breakfast on Friday and Care Options for Kids for sponsoring the breakfast on Saturday.
- The luncheon/annual meeting will be held on Friday. If you would like a luncheon ticket, purchase it at the registration desk. The luncheon is sponsored by Gelmix + Purathick.
- Happy Hour is sponsored by Amazing Care Home Health Services and Abby Care. Continue to earn ASHA CEUs by joining us for the poster session Friday from 4:30-5:30 while enjoying happy hour drinks and appetizers and connecting with fellow attendees.

THANK YOU!

We would like to thank Craven Management Associates, the CSHA Board of Directors, speakers, sponsors and vendors for all of your time, energy and dedication to the Conference this year! We also want to thank all of you for joining us this year! Please enjoy the Conference and we hope to see you back next year!
